New Playground!

God has blessed us with a great playground for our church and school! The mother of one of our students is the mayor of Barrigada village, and she found out that the Navy was disposing of an unused playground, so she called and arranged for it to instead be donated to our school! We are purchasing extra equipment like swings and monkey bars with the money that some of you were so kind to help out with. Thank you! The kids are so happy!

In His Service,
Rick & Joy

Hafa adai everyone! We're very excited at how God is moving in our ministry! There have been 32 souls saved and 10 people baptized since our last letter! The church is growing with a lot of new young couples who are very excited about serving Jesus. God is so good! For those who may not know, we do weekly updates on our Facebook accounts, and all the messages are now being posted on Facebook live. Just friend us on Facebook for up-to-the-minute reports on what is going on with us.

Baptism!

Every month, we see a lot of Soldiers on drill who raise their hands that they are saying the prayer of repentance for salvation. Only God knows how many of those truly get saved. Pray that they will come to church and start living for Christ.

Our VBS!

Our church members worked together to present an amazing VBS this summer! God blessed, and there were 13 kids saved. Praise God! There was excellent attendance each evening. Pray we can reach the families with the Gospel of our Lord Jesus Christ!

Please be praying for more souls to be saved, and for more to follow the Lord in baptism. Thank you for your prayers and financial support! God bless you!

Please friend us on Facebook so you can get frequent updates!
